*Change control board

Visitors: Baily Hallwachs, Chiang Kunfang

Roll Call

Agenda:

Approve minutes from last meeting. Motion to approve __LT____; Seconded __MS____

Old Business:

1. Report from DEV:

- Server (DBMU) – SMTA meeting tomorrow at 2:30 central. Kurt Endress is retiring effective November 30th. He’s hoping to come back under the “New Solutions” program part time to assist with training new developers.
- CT (P. Cyr) – working on the replacement system for Crystal reports – working on issues with sorting – will have something to test next week.

2. Subcommittee reports:

- Multiple inventories, seasonally available and multiple form (J. Smith) - LG worked with PC to get the test server up and running for testing – needs more testing on the multiple inventory type feature.
- Genetic Observations (C. McGovern) – nothing to report

- NRR (GK, HB, MR, AN and BH) – Harold Bockelman will be retiring at the at the end of the year – hoping to come back under the “New Solutions” program. Will need additional people to review orders – GV mentioned Erin G. is interesting in participating.
- GIS (L. Taylor) – nothing to report
- Barcoding/reports/labels sub-committee (PC) – Hoping to have everything ready for testing within two weeks so it can go into a new release before he goes on vacation.
- APR (L. Burke) – nothing to report
- Reports (GV) – the NPGS plan was released two weeks ago – looking to have a sub-committee meeting in December

3. Review inventory action code updates (JB and AN) – have not heard any feedback from anyone.

New Business:

1. #2883 (Make the Coop list in the PW match the accession list in the search) – GrinGlobal (ars-grin.gov)

Future meeting dates:

December 12th - last meeting of the year.

Reminders:

SMTA discussion Nov 29th at 2:30 Eastern

FYI:

The order item dataview is going to have two columns added for % germination and date of the germination.
